Chesapeake Have Kidney Trouble and Don't Know It.

Now Test It Out.

Put a bottle of common glass with your urine and let it stand twenty-four hours; if a deposit of sediment is visible, it is a sure sign of kidney trouble; if it stains your linen it is a sure sign of kidney trouble; if it causes a frequent desire to pass it or pain in the back it is also a sure sign of kidney trouble.

There is comfort in the knowledge as often expressed, that Dr. Kilmor's Swamp-root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to urinate and relieves pain in passing, or bad effects following use of liquor, wine or beer, and overcomes the unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and safe, non-toxic effect of Swamp-root is its wonderful effect of the most distressing cases. It attacks the highest for its medicinal value. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells all you need to know about it, both sent absolutely free by mail.

Address Dr. Kilmor & Co., 100 West 42nd St., New York, N. Y. When writing mail send reading the generous offer in this paper.

Don't make a mistake, but remember the name Swamp-root. Dr. Kilmor's Swamp-root and its address, Birmingham, N. Y., on every bottle.

C. B. CLAY, The Tailor.

Twenty years before the claims of the city, and you will find me ready to wait on you and show you a good line of samples for both Ladies and Gentlemen. I will cut and make you any kind of Garment you want at your price, also will Clean, Dry and Repair at a rate less than you can get elsewhere.
